EVENT: Legends of Riverside II Film Festival & Gala
DATE: March 26- 28, 2010
PLACE: Riverside International Automotive Museum
 Riverside, California www.legendsofriverside.com

This annual event brings together fans, renowned drivers, motorsports journalists, authors, and photographers, veteran race cars, good food, good drink, and plenty of good fellowship ... All in one place, and all in celebration of the place and state of mind that was once the legendary Riverside International Raceway.

Everyone who loves motorsports knows of Riverside Raceway; everyone who was ever there carries their own little chunk of that mystical place with them. The memories and the stories are all that we have of her now; but they're stronger than ever and the celebration of the people who created those memories is the real reason for this special weekend!
